CoC|Coordinated Assessment Updates

CoC| Coordinated Assessment Updates - PIT

- Date for the 2022 Point in Time Count – Feb 23 and 24 from 5am to 10am
- Thank you to everyone who has been involved in planning or signed up to volunteer for the 2022 Point in Time count
- The integrity and accuracy of the count is dependent on having enough volunteers to cover the entire county in two mornings
 - a. If we do not have enough volunteers and guides with lived experience, the accuracy of the count will suffer
- For updated information about the Point in Time count, please go to our Office of Supportive Housing website:
<https://osh.sccgov.org/2022-PIT>
- Sign up to volunteer here: https://asr.sjc1.qualtrics.com/jfe/form/SV_51iFXwmk3Wo9A3k
- The volunteer videos are almost ready and those will be available 7-10 days out from the count

Please spread the word to friends, families, neighbors, and colleagues.

We rely on hundreds of volunteers to conduct the count and we appreciate your support!

Please join us at our next virtual community meeting on Wednesday, February 16, 2022, at 1 pm.

Youth Homelessness Demonstration Program

Community Planning Sessions

Do you want to help shape the goals and strategies to end youth homelessness in Santa Clara County?

We want you on the Planning Team!

The Youth Homelessness Demonstration Program (YHDP) planning is in its home stretch, with 6 weeks of in-depth community planning to go. A team of dedicated stakeholders will be collaborating with the Youth Action Board (YAB) to develop the YHDP goals and strategies.

Please join the Coordinated Community Plan (CCP) group if you are:

- Passionate about ending youth homelessness
- Looking to actively participate in planning new and expanded housing programs and services
- Knowledgeable about these topics through experience as:
 - A Youth or Young Adult with personal lived experience
 - And/or A Community Member involved in housing issues
 - And/or A Service Provider within the safety net system
- Able to commit to participating in 20 hours of planning discussions during the below meeting and retreat dates

Community Planning Meeting Dates

Mondays 5:15-6:45p*

• 1/31 • 2/14 • 2/28 • 3/14
• 2/7 • 2/22* • 3/7 • 3/21

System Modeling Retreat Dates

Sundays
2/6 & 2/13
11am-4:30pm

The Weekly Meetings will cover YHDP:

- Decision Making / Governance
- Goals, Objectives, Action Steps
- Funding Priorities and Process

The Mini-Retreats will focus on:

- Mapping the Pathways to Housing
- Modeling Possible Support Options

*All youth/young adult participants with lived experience will receive \$20/hr in gift cards as compensation for their time and expertise.

UPLIFT Updates

UPLIFT Updates

- ALL UPLIFT email communications must go to UPLIFT@hhs.sccgov.org
- We are currently processing UPLIFT requests for Q3, January – March 2022.
- There are no allocation limits this quarter. All passes are offered on a first-come, first-served basis for the quarter.
- Please remind UPLIFT staff to OPEN a client's ROI (Release of Information) to ensure it is valid before enrolling a client or completing a status assessment requesting a badge and/or a sticker. **All pages of the ROI must be uploaded for ROI to be valid!**

UPLIFT Updates

- We kindly request agencies to email UPLIFT if they are requesting a replacement pass after creating the status assessment.
- Please give detailed explanation to what has happened to the sticker issued earlier, this is to limit the risk of fraud/abuse.
- Please encourage participants to use lanyards and keep the passes safe.
- If staff have lost the pass, they have to provide an explanation on how the sticker was lost and get manager's approval via email.

Data Quality Check: *Well Being Questions - HUD Required PSH*

DQ - Well Being Questions - *HUD PSH Required*

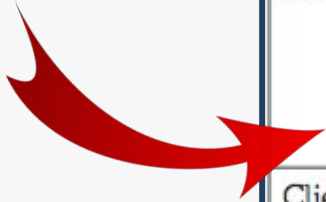

- In April of 2021, the U.S. Department of Housing and Urban Development (HUD) released to Homeless Management Information System (HMIS) vendors, HMIS Leads, and Continuum of Care (CoC) leadership the FY 2022 HMIS Data Standards.
- Included in these standards is a new element, **C1 Well-being, which has been added to the data collection protocols for HUD-funded Permanent Supportive Housing (PSH) projects.**
- This C1 Well-being data element training resource covers the rationale for adding this data element, suggested language to use when collecting this data from project clients, and other considerations regarding implementation and trauma-informed care.

As with all other data collected via HMIS, clients have a right to refuse to provide C1 data to staff, and staff should remind clients of this right prior to beginning any C1 data collection protocols.

- One example of this would be to say "I'm going to ask you four questions about well-being. Please remember that you don't have to answer any questions that you don't want to. I'll ask you about your sense of self-worth, your support system, your resiliency, and feelings."

DQ - Well Being Questions - *HUD PSH Required*

Preferred Language: CoC PSH recipients are encouraged to use the following language to collect the responses to the elds in the C1 Well-being HMIS data element.

HMIS Data Element Text	HUD Preferred Language
Client perceives their life has value and worth	"Tell me how much you agree with the following statement: When you think about your life in general, do you feel like your life has value and worth most of the time?"
Client perceives they have support from others who will listen to problems	"Tell me how much you agree with the following statement: When you need to talk about issues in your life or need help solving problems you are having, do you have people you can count on to support you and listen to your issues most of the time?"
Client perceives they have a tendency to bounce back after hard times	"Tell me how much you agree with the following statement: After a particularly difficult event or time in your life, do you find that you generally can get back to feeling better or back to whatever 'normal' is eventually?"
Client's frequency of feeling nervous, tense, worried, frustrated, or afraid	"Tell me how often you feel any of these feelings: nervous, tense, worried, frustrated, or afraid. Not at all, or once a month, or several times a month, or several times a week, or at least every day?"

Data Quality Check: *Prior Living Situation -What You Should Know*

DQ - Prior Living Situation - *What You Should Know...*

- **Prior Living Situation:** This data element is meant to identify the type of living situation and length of stay in a particular situation **immediately prior to Project Start** for all adults and heads of household.
- For projects that do not provide lodging, the 'prior' living situation may be the same as the client's current living situation.
- This particular information also helps to determine if a client appears to meet the criteria for chronic homelessness.
- For more information, please see pages 85-92 in the **HMIS Data Standards Manual**.

LSA Updates

LSA Updates - *DUE February 15, 2022*

Thank you for those of you who have reached out and completed data clean-up!

Here's what we need from you:

- Follow up with Kadra immediately for any recent outreach this week and next week (these will address warnings directly from the LSA Flag report)
- Continue working on your overlapping enrollments, including coordinating with other agencies to resolve those issues
- If there are any questions within the two week timeframe, please schedule a 15-minute meeting [here](#) with Kadra Adderly

Data Quality Issues Under Review:

- Overlapping Enrollments
- Other errors/warnings found on the LSA Flag Report

HIC/PIT Updates

HIC/PIT Updates

The Housing Inventory Count (HIC) is conducted annually typically January. This year it will be on **February 23rd and 24th, 2022**

The report is on shelter and housing programs (ES, TH, RRH, PSH), including non-participating HMIS programs (e.g. DV programs) and includes:

- Bed/unit capacity
- Federal funding source
- HMIS participation
- Location (geocode and address)
- Other project details
- Utilization rate based on clients in shelter/housing during one night in January (point-in-time count)

HIC/PIT Updates

Here is what you can do to prepare for the upcoming HIC/PIT... *review the following*

1. The names of your program(s)
2. HUD Geocodes for the geographic area(s) in which your program(s) operate
3. Inventory type (Current, or Under Development)
4. Housing Type
5. ES bed type (for emergency shelter programs only)
6. Target populations
7. Whether you receive McKinney-Vento Funding
8. Whether you receive other federal funding

HIC/PIT Updates

- All Shelter and Housing projects will need to report the actual number of clients served on the night in February. Information will be used to calculate Utilization Rates for each project.
 - PSH, RRH, and OPH (Other Permanent Housing) Projects will be based on clients housed
 - RRH bed/unit inventory will be based on housed clients
- How you can prepare
 - Run the **[GNRL-106] Program Roster** and review the list of active clients
 - Exit clients who are no longer in the project
 - Enroll clients who are not yet in HMIS
 - RRH and PSH projects - Fill out the Housing Move-In Date for your housed clients
 - Housing Move-In Date should always be on or after the Project Start Date (if the client was housed at entry, use the Project Start Date)

HIC/PIT Updates - *Keep the following in mind*

- Let us know if any new housing or shelter programs have come online during calendar year 2021
- Similarly, let us know if any programs on our list have stopped operating during calendar 2021
- Review address information for programs
- For RRH, bed/unit counts based on clients housed the night of the PIT
- Be ready to answer specific questions for your agency that may arise
- Utilization Rate: Number of clients served the night of the PIT vs number of beds available

The Point In Time (PIT) Count is conducted annually in February, on the same day as the HIC

The report includes sheltered clients (ES, TH, Safe Haven), including clients in non-participating HMIS programs (e.g. DV programs):

- Number of households and clients served the night of the PIT
- Number of children, adults aged 18-24, adults over 24
- Race, Ethnicity, Gender, Chronic Homelessness
- Substance Abuse, Mental Illness, DV, HIV/AIDS

Information is broken out by both household type as well as specific demographics (Veterans, Parenting Youth, Unaccompanied Youth)

PIT Count Preparation

For clients in your Emergency Shelter, Transitional Housing, or Safe Haven programs on the night of the PIT:

Make sure the household and client counts are accurate (i.e. if you run a Program Roster report for that day, it matches how many households/clients were actually there the night of the PIT)

For all clients served on **night of February 23rd**, review:

- Date of Birth
- Race
- Ethnicity
- Mental Health Problem
- Substance Abuse Problem
- Domestic Violence Victim/Survivor
- Living Situation section (for Chronic Homelessness)
- Gender
- Veteran Status (for adults)

For RRH/PSH Programs

The Utilization Rate on the HIC is based on Housing Move-In Date

Reminders

Reminders - *Test Clients*

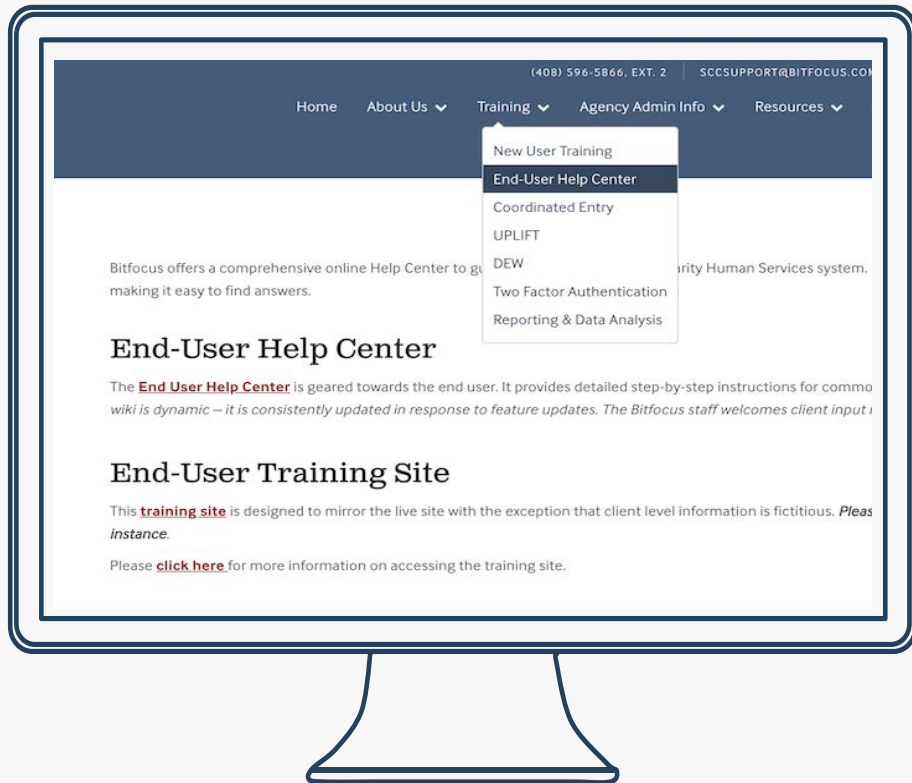

- Please do not enter TEST CLIENTS into the live instance
- **Any tests clients entered will be deleted from the live instance by COB on Tuesday, Feb 8th**
- Use the SCC Training Site to do testing
- If you do enter a test client, please be sure to remove them

This will avoid Federal Reporting Data Quality issues

Reminders - *SCC HMIS Training Site*

Want to Hone Your Skills? Use the SCC HMIS Training Site

What you need to know:

- From the Training Tab select the **End-User Help Center drop down**
- **Scroll to the End-User Training Site**
- Contact the Help Desk to gain access at **sccsupport@bitfocus.com**
- You should complete all required training as usual
- Practice entering client information and uploading docs. in an agency/program set-up to mirror your current agencies set-up in the live HMIS website

Please note the training site was updated as a result of Data Standards. All test clients entered were lost in the transition.

Reminders - *Office Hours*
