

# ALAMEDA COUNTY HMIS TRAINING: GETTING STARTED

# Signing in/Creating an Account

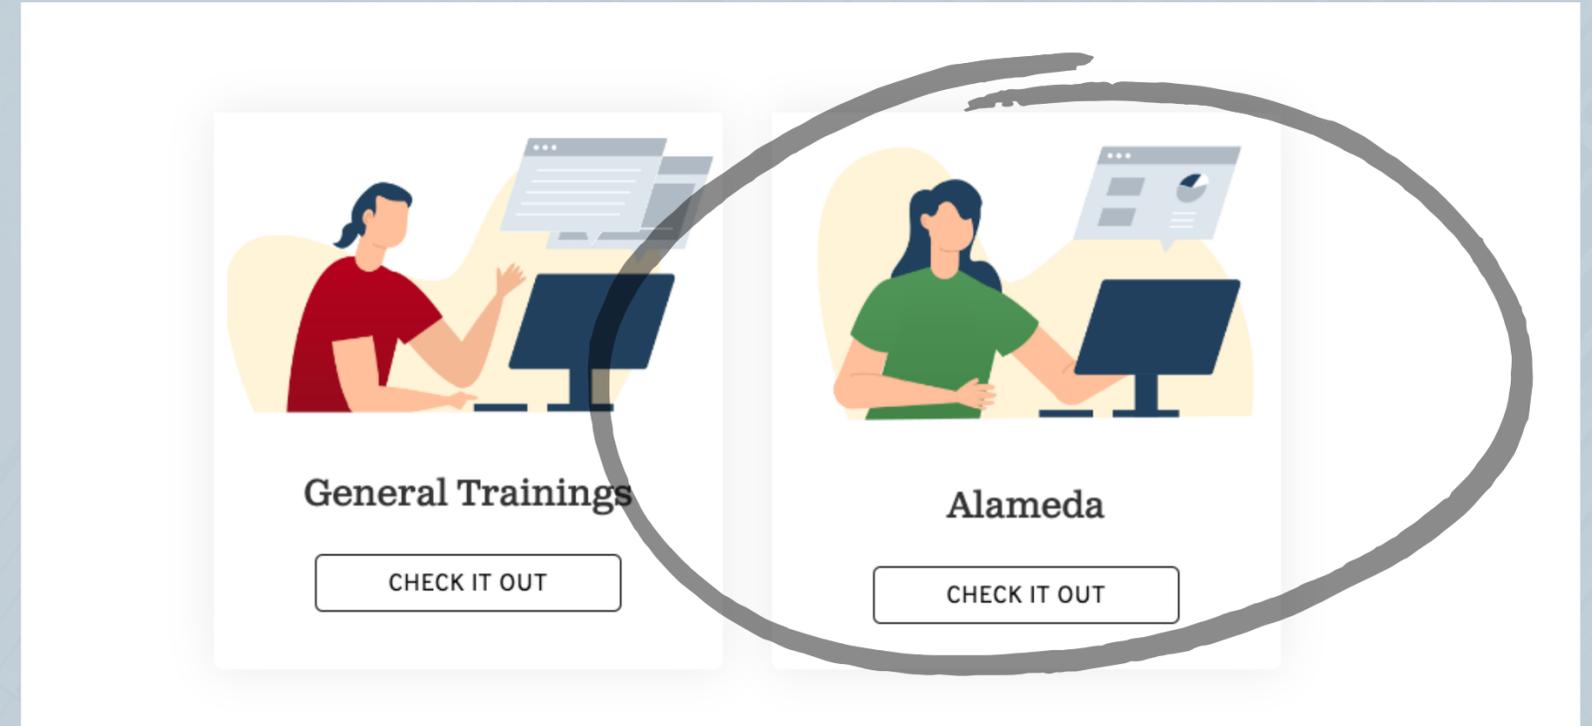

1. Navigate to: [training.bitfocus.com/page/alameda](https://training.bitfocus.com/page/alameda) and click on "Sign In" in the top right corner of the screen.
2. If you already have an account, enter your login credentials to sign in.

3. If you don't have an account, click on the "Sign Up" tab and complete all information. On the question that asks "Which county or state are you from?" make sure to select "**Alameda**" from the dropdown.

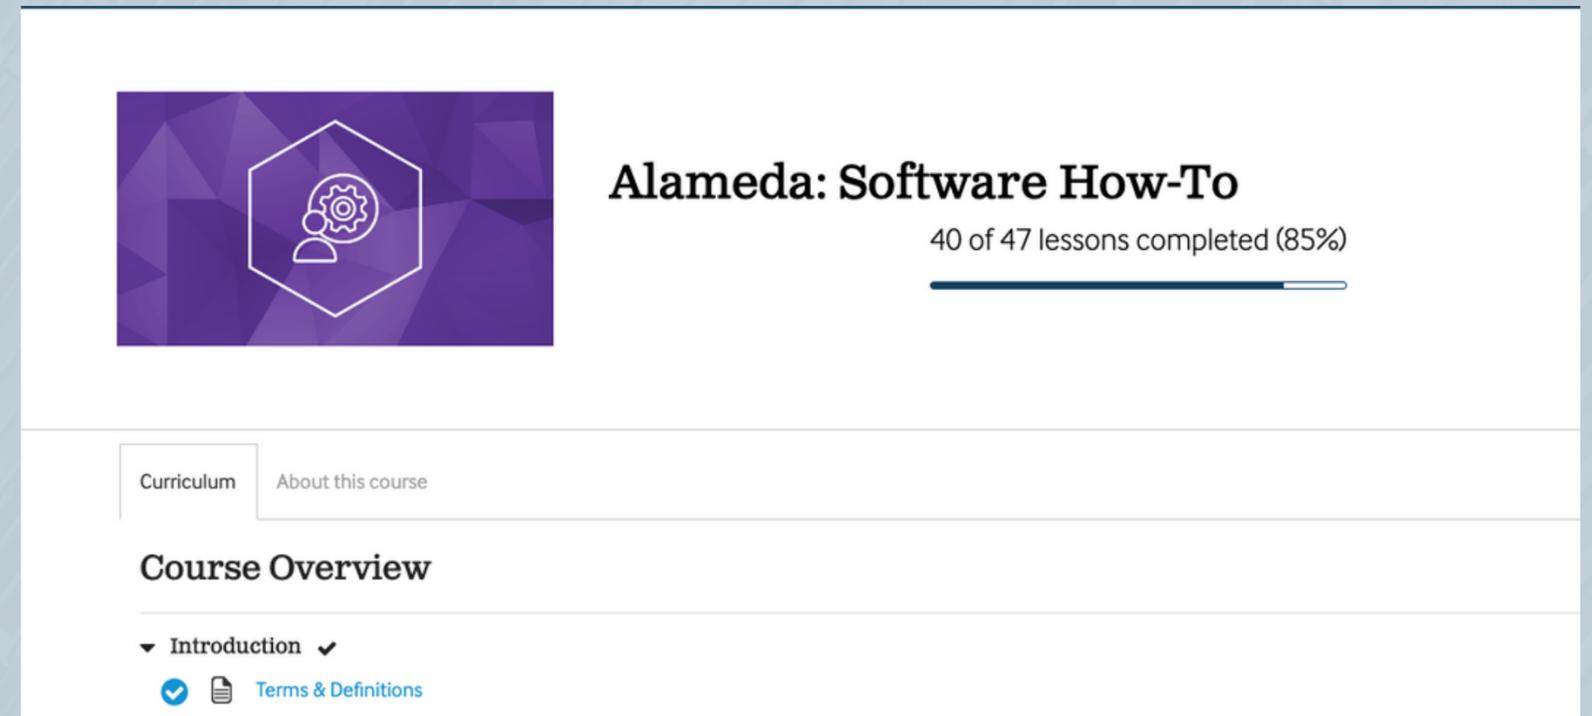

# Signing in/Creating an Account

4. Click **"Sign Up"** and you should see the **"Alameda"** training portal. This is where you are going to be completing Alameda County specific trainings.

5. Once you have clicked onto the Alameda portal, you will see the three trainings that are to be completed.

- **HMIS Basics**
- **Security & Privacy**
- **Software How-To**

# Signing in/Creating an Account

In conjunction with the training users will need to access the **Alameda County Clarity Training Site** to answer quiz questions and follow along.

The info for the training site is:

- Link to training site:  
<https://alamedatrain.clarityhs.com/login>
- Username: **Tr01**
- Password: **@2QWaszx**

If any HMIS users have any questions or issues with signing in or signing up in the Training Portal, you can contact: **HMISsupport@achmis.org**
