Announcements

Welcome Jeree Saucedo - Nevada's New Senior Project Administrator!

Jeree joins Bitfocus from The Salvation Army of Southern Nevada where, as part of the executive leadership team, she championed the non-profit's commitment to making partnerships transformational rather than transactional. Jeree began working in the human services field in 2004 and is certain of one thing – the only thing constant is change. She is excited to apply her social

services knowledge with the technical sophistication of Clarity Human Services in Nevada's fight to end homelessness.

On weekends, you can find her exploring the Arts District in downtown Las Vegas where farmer's markets, bike rides, events, festivals and community gatherings promote individuality and positive energy.
