These, and many other resources, can be found on [Santa Cruz's HMIS Website](#).

Report Spotlight

[HUD-277] Annual Performance Report (APR)

The Annual Performance Report (APR) provides a comprehensive view of client data and program outcomes. You can use this report to answer questions such as, but not limited to:

- Are folks increasing their income while in our program?
- Are folks being connected to non-cash benefits while in our program?
- Are folks being connected to health insurance?
- What required data is missing?

[Check out the details.](#)
