The screenshot displays a web application interface. At the top, a dark navigation bar contains the following menu items: SERVICES, PROGRAMS, ASSESSMENTS, NOTES, FILES, CONTACT, LOCATION, and REFERRALS. On the right side of the navigation bar, there are icons for a grid, a mail icon with a red notification bubble, and a user profile for 'Jen Flynn, Screen Reading Only' with the initials 'JF'. Below the navigation bar, the main content area is divided into two columns. The left column contains a list of assessment types with expandable sections: 'risk/Rapid Resolution intervention or service', 'Coordinated Entry Crisis Needs Assessment', 'Coordinated Entry Housing Needs Assessment', and 'eduled Coordinated Entry Housing Needs Assessment'. The 'eduled Coordinated Entry Housing Needs Assessment' section is expanded, showing a date field set to '02/08/2023', a text area with the placeholder 'Please provide a brief description of the client's situation', and a 'SUBMIT' button. The right column contains a sidebar with the heading 'Status Assessments' and a sub-section 'No Statuses'. Below this, it states 'Assessment due every year' and 'Notification ON'. A red speech bubble icon is located in the bottom right corner of the sidebar.
