Housing Inventory Count

Housing Inventory Count: Recap

The HIC is an inventory of projects within the Community that provide beds and units dedicated to serving persons who are homeless.

It is intended to provide HUD and the community with information about the shelter and housing capacity of their homeless crisis response systems.

Beds and units in the HIC must be dedicated to serving homeless persons, or for permanent housing projects, dedicated for persons who were homeless at entry

The Project Types included in the HIC:
      A. Emergency Shelter (ES)
      B. Transitional Housing (TH)
      C. Safe Haven (SH)
      D. Permanent Housing (PH)
            1) Permanent Supportive Housing (PSH)- disability required
            2) Rapid Re-housing (RRH)
            3) Other PH (OPH) – combines two project types from the 2017 HMIS Data Standards:
            • PH – Housing with Services (no disability required for entry); and
            • PH – Housing Only
