Santa Cruz County HMIS – Standard Adult Status Update and/or Annual Assessment

A service provider must complete a Standard Adult Status Update Assessment every 90 days an adult client or the Head of Household has been enrolled in a specific program, regardless of whether their information has changed. After the client has been enrolled in the program for 1 year, the service provider must complete a Standard Adult Annual Assessment in lieu of a Status Assessment. This form can be used for either the Status Assessment or Annual Assessment because the same information is collected, however, please be sure to select the appropriate Assessment type when entering this data into the HMIS. Separate Status Update and/or Annual Assessments should be completed for each client who is **over** the age of 17 or the Head of Household. **Status Update and/or Annual Assessments must be completed for children as well, but please be sure to use the Standard HMIS Child Status Update and/or Annual Assessment Form.**
