PRIVACY & SECURITY
ROUNDTABLE

AGENDA

ABOUT THIS EVENT

Join fellow HMIS leaders, CoC staff, & other industry experts for a dynamic virtual roundtable focused on elevating the privacy and security practices that have always been core to our sector. We'll dive into powerful tools, smart policies, and real-world strategies that help you protect data with confidence. You'll walk away with fresh insights, actionable takeaways, and renewed momentum for ethical, secure data use.

INTRODUCTION
Meet our team & hosts for the session

STRENGTHENING PRIVACY & SECURITY
